SPOTLIGHT ON

Cathedral Beekeeping

Our Cathedral bees have come out of winter exceptionally strong this year and we couldn't be more excited! While the bees will be working hard to produce honey for us this year, we will be working hard ensuring they have what they need to continue to thrive! We need support from our community in preparing to split our hives, with weekly inspections and the annual honey harvest. If you would like to learn the fundamentals of beekeeping, and are interested in more information about this ministry or, if you want to know how to help support native pollinators, Please contact Caroline Cosgrove at ccosgrove@incarnationgc.org.

Cathedral Life

Eastertide to Pentecost | 2024

Welcome

“And the one who was seated on the throne said, ‘See, I am making all things new.’ Also he said, ‘Write this, for these words are trustworthy and true.’” (Revelation 21:5)
Throughout Eastertide, we discover the many ways God’s promise of new and abundant life is being made real for us. As winter gives way to spring on Long Island, come discover the love of God expressed in so many varied ways across the Cathedral community. You are welcome here. You can write that down, for these words are trustworthy and true. Christ is Risen! Come and see.

Yours in Christ,
The Very Rev. Dr. Michael Sniffen
13TH DEAN OF THE CATHEDRAL
